

Small Group Basics

Getting started:

- Personally invite 6 to 12 people
- Commit to 12 weeks and divide into two groups after 12 weeks. Make this clear when the group starts to meet.
- Use the Bible to focus on Jesus rather than proving a point
- Plan to meet weekly for 90 minutes
 - 30 mins. of randomly sharing “Jesus stories”
 - 30 mins. of “Popcorn prayer” of 1 or 2 sentences. Go straight to prayer instead talking about prayer request.
 - 30 mins. of Bible study in the Gospels to start. People will read randomly (no pressure to read) then share their personal applications and descriptive views of their readings.
- Seek to organize one activity to share Jesus in the community.
