

MATCHING PEOPLE WITH JUST THE RIGHT MINISTRY

This questionnaire is for anyone who attends our congregation. The leaders of the Hinsdale Seventh-day Adventist Church are interested in helping you match your spiritual gifts, passion and personal style of serving Christ with the best ministry options for you. This form will be passed along to this year's nominating committee to assist them. Thank you for completing this questionnaire.

INSTRUCTIONS: Place a check mark (✓) beside those ministry areas in which you are definitely interested. Put a question mark (?) beside those in which you might be interested if you had more information or training.
